**THE People's  
Health Clinic**

## *PHC NAMED ONE of UTAH 100 Companies Championing Women*

The People's Health Clinic in Park City, Utah—which provides healthcare annually to 3,000 local neighbors in need, is honored to have been selected as one of Utah's 100 Companies Championing Women by the Governor's Office of Economic Opportunity and the Utah Women & Leadership Project at Utah State University.

The award commends companies that create an environment of equity and inclusion for women in Utah.

The People's Health Clinic aligns with efforts to eliminate gender disparities for women by improving workplace inclusivity as an organization that is leading in supportive policies to promote the advancement of women in Utah.

Our clinic champions equity foremost in our work and approximately 70% of our patients are women. As a leader for women in Utah, our clinic established a new comprehensive Women's Health Program in 2022. With new urgency about women's health care access, we are focused on the vital need to sustain and expand women's health services locally.

## Staff Updates

PHC is also thrilled to welcome three new staff members! Dessire Romero-MD, Helen Nadel-M.Ed., and Genesis Villa.

We also said farewell to two amazing members of our staff team as they pursue their dreams in graduate school.

We will miss you Chicho and Olivia!

## SAVE THE DATE FOR 2023 Walk & Wine benefitting Women's Health & Health Equity

Join us June 25th

*Walk & Wine is a day of hiking, yoga and libations--community coming together to support Women's Health and Health Equity in the Wasatch Back. This annual event is the primary fundraising event for The People's Health Clinic, where 70% of our patients in need are women.*

There are many ways you can support us, including being an event sponsor and donating items for our auction. Thank you for your incredible support of

our thousands of patients in need of health care.

## *Thank you to our Grant Partners in 2023!*

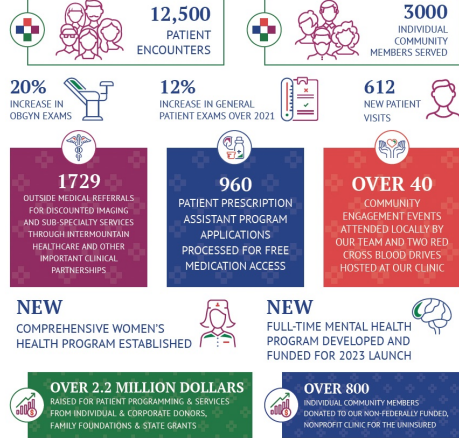

So far in 2023, PHC is profoundly grateful for the support of the following organizations in their stewardship of our work and mission:

**SUMMIT COUNTY  
EQUITY VISION PEDIATRIC VISION & DENTAL  
PROMONTORY FOUNDATION  
MARRINER S. ECCLES FOUNDATION**

---

**IMPACT BY THE NUMBERS**

*These are just a few of our points of impact, and behind each of our thousands of patients is a story, a life and local community member who contributes to Park City for the benefit of our community.*

**Our Impact: View our 2022 Annual Report Now!**

[We hope you have seen our first full Annual Report. You can do so at this link here!](#)

PHC thanks “Park City Martini Party” in January for their awesome support of the clinic, and for raising over \$10,000 for our patients in need. This unique and special event has been helping local nonprofits for years, and we want to thank them for dedicating their 2022 event to our work! It truly takes a village.

In February Team PHC joined 39 other nonprofits and the Utah Nonprofit Association at the State Capitol to engage our state legislators and advocate for our patients. We asked our state leaders to continue to support Utah Department of Health funding for clinics like ours and for the state to understand the importance of healthcare for all as core to not only our collective health, but our economic and social health, as well. We will continue to advocate for health equity for our patients, regardless of financial or legal

status.

The People's Health Clinic is a registered 501c3 in Park City, Utah.  
We are proud to have a Charity Navigator "100% Give With Confidence" rating. Tax ID# 87-0638042
