We were honored to participate in the Katz Amsterdam Foundation Convening in Boulder, Colorado from April 30th to May 2nd, where we shared our Mental Health Program strategies and deepened our understanding of mental health struggles in mountain communities.

New Extended Evening Hours

Thanks to philanthropist MacKenzie Scott and the Yield Giving Open Call gift, we are excited to announce that starting in July, our clinic will be extending its evening hours to better serve our hardworking community members! This generous gift also enables us to expand our clinical staff, including one new Advanced Practice Provider and two additional Medical Assistants.
