Happy Summer!

Thanks to all of our community members for your participation in the 4th of July Parade. We are excited to celebrate 25 years with you!

Walk and Wine For Women's Health, Mental Health, and Health Equity Recap!

Our annual Walk & Wine event was a tremendous success! Thanks to our wonderful community, we raised \$350,000 to support our clinic's programs and services. Participants enjoyed a scenic hike at Deer Valley Resort, followed by a delightful lunch held at Stein Eriksen Lodge. We are incredibly grateful to all the sponsors, volunteers, and attendees who made this event unforgettable. Your support enables us to continue providing quality healthcare to those in need.

Women's Giving Fund Event

We are excited to share that the Women's Giving Fund has chosen The People's Health Clinic as a recipient of their generous grant this year. This funding will go towards enhancing our women's health services, ensuring that more women in our community receive the essential care they need. We are honored to be recognized by such a prestigious organization and look forward to the positive impact this will have on our patients.

New Extended Evening Hours

*Extended
Hours!*

To better serve our community, we have extended our clinic hours! We are open from 8 am to 8 pm on Mondays, Tuesdays, and Wednesdays. This change will allow us to accommodate more patients and provide flexible appointment times for those with busy schedules. We hope this improvement will make accessing healthcare more convenient for everyone.
