
Caring for our Community - Fall 2025 Newsletter

Greetings!

With your continued support, we're delivering free, high-quality healthcare to thousands of uninsured neighbors—and there's still so much more to do. This season brings exciting updates, from community events and celebrations to new programs and team members advancing our mission of care.

Read on to see how your support is transforming lives throughout our community.

**Save the Date: Donor Appreciation Party
+ Live PC Give PC Kickoff**

You're Invited!

Live PC Give PC Donor Appreciation Party

Friday, November 7, 2025
from 2–4pm at
Flanagans on Main!

*Join us as we celebrate and thank our incredible
donors. Food and drinks will be served.*

Your support saves lives—and we can't wait to celebrate that impact with you.

This year, Flanagan's on Main is generously hosting our Donor Appreciation Party to honor the incredible generosity of our supporters and to rally momentum for Live PC Give PC.

Date: Friday, November 7, 2025

Time: 2:00–4:00 PM

Location: Flanagan's on Main, Park City

Every gift raised through Live PC Give PC helps the People's Health Clinic provide free, high-quality healthcare for more than **3,500 uninsured patients** each year. From well-child visits to chronic disease management and women's health services, your support translates directly into care for families who otherwise would go without.

This event is our chance to thank you, share stories of impact, and come together as a community to launch this year's Live PC Give PC campaign. Together, we can ensure that our neighbors receive the healthcare they need and deserve.

Mark your calendars—we would be honored to see you there.

The People's Health Clinic Holiday Gift Drive

For over 26 years, the **People's Health Clinic** has been dedicated to providing *free, high-quality healthcare* to uninsured residents of Summit and Wasatch Counties. Every day, our patients inspire us with their strength, resilience, and commitment to their families.

This holiday season, we're inviting our community to come together once again—this time to share warmth and joy through our **Holiday Gift Drive**.

Your donation will help us provide meaningful gifts, winter essentials, and grocery cards to **patients and families** who might otherwise go without. Many of these families work tirelessly to keep our community running—serving in local restaurants, hotels, and resorts—yet struggle to afford even basic holiday comforts.

How You Can Help

Every dollar makes a difference:

- \$25 – A grocery card for a family meal
- \$50 – A toy and winter gear set for a child
- \$100 – A care package for a family in need
- \$250+ – Adopt an entire family for the holidays

You can also make your donation *in honor of someone special*—we'll include your name on our community gratitude wall at the clinic throughout December.

Join Us in Giving Back

Together, we can make the holidays brighter for the families who bring so much heart and hard work to our community year-round.

Your generosity ensures that every family who walks through our doors feels seen, supported, and celebrated this season.

Thank you for helping us share the gift of care, compassion, and community.

Drive**

Congratulations to the People's Health Clinic and Tristan Lubina, DNP, Hypertension Program Director!

We're proud to announce that the People's Health Clinic has achieved the Target: BP Gold+ level recognition from the American Heart Association and the American Medical Association for reaching a 70% or higher blood pressure control rate among our patients.

This national recognition reflects our commitment to providing evidence-based care, reducing the risk of heart disease and stroke, and improving overall heart health for the uninsured residents of Summit and Wasatch Counties.

Special thanks to our dedicated clinical team and volunteers whose compassion and expertise make this achievement possible. Together, we're building a healthier community—one heartbeat at a time. ♥

Welcome to Our Team!

We are excited to welcome two new Clinical Assistants to the People's Health Clinic family: Maria Alejandra Carossino and Dayancy Ramirez!

Their skills, compassion, and dedication will help us continue providing exceptional care to our patients every day. Please join us in giving them a warm welcome as they begin their journey with the People's Health Clinic!

How You Can Make an Immediate Difference

- Give Today: Your donation directly funds life-saving care for uninsured families.
- Volunteer: Join our team of medical providers, interpreters, and community supporters.
- Advocate: Share the PHC's mission with friends, family, and colleagues—your voice helps expand our circle of care.

Thank You!

From all of us at the People's Health Clinic, thank you for believing that **healthcare is a human right**. Your generosity sustains us, inspires us, and changes lives every single day. Together, we are building a healthier, more hopeful community.

With gratitude,

Jenn Marley
Chief Development Officer
People's Health Clinic
